

# PRODUCT SUMMARY **FUNERAL PLANS**

We value your ongoing trust and will continue to provide you with the best support possible. The policy Schedule confirms your personal information and product selection. This document provides an overview of the benefits included in your chosen plan based on the information that you have provided, and any incorrect details or lack of information can affect your cover. However, the below must be read together with the Policy Document and any other disclosed documentation which sets out the terms and conditions that govern our relationship.

#### YOUR PLAN AND COVER

Your chosen Funeral Plan, is an insurance product that is underwritten by Centriq Life Insurance Company Limited ("Centriq Life"), a licensed life Insurer and authorised Financial Services Provider, FSP No. 7370, which pays a fixed cash amount in the event of death, subject to the terms and conditions of the Policy. We cover deaths of persons who are South African citizens regardless of the country in which the death occurs but we only cover deaths of foreigners which occur within the borders of South Africa. The Policy covers you, and with family plans your spouse and up to 5 (five) unmarried children under 18 (eighteen). You must all be South African permanent residents or be in possession of a valid permit, which allows you to legally work and reside in South Africa. The Policy recognises a spouse in accordance with the applicable South African laws or a nominated life partner you've resided with for 6 (six) months or more. For an additional (but reduced) amount to Prestige and Gold plans, you can add increased accidental death cover and you can register up to 4 (four) family members to be covered under your chosen family plan (this does not include their families). The additional family member may be a parent as defined in your Policy Document.

#### 2 PAYMENTS AND WAITING PERIOD

You must pay the amount (Insurance Premium) on the due date in the policy Schedule. There is no waiting period in the event of death as a result of an accident. However, there is a waiting period of 6 (six) months for death due to natural causes and a waiting period of 12 (twelve) months if due to suicide. If your premium is unpaid, you will have a 20 (twenty) day Grace Period to pay the outstanding premium from the day that we notify you of non-payment. If the premium is not paid within the Grace Period, you may be subject to waiting periods. If your premium is unpaid for 2 (two) successive due dates, we will automatically apply the Protector benefit to your plan, which is designed to keep you legally protected at a lower premium and cover amount. Your Policy will remain active but the insurance benefit will be limited to you and if family, your Spouse only, and the cover amount will be reduced to the Protector cover amount applicable at the time. If your first Protector benefit payment is unpaid, your Policy will automatically be cancelled and we will not debit you again. If you become unemployed, and have fully paid all your premiums for the previous 24 (twenty four) months consecutively before unemployment, then the Policyholder may enjoy a 4 (four) month Premium holiday. You must provide proof within 1 (one) month of unemployment. Should a claim related to an event occur during the 4 (four) months period, the premiums for this period may be deducted from the applicable cover amount.

#### 3 INCREASES

We may increase the premium each year by an amount not exceeding 10% based on product review performance or benefit additions. The maximum cover amount may increase by an approximate corresponding percentage provided that it does not exceed that allowed by legislation. You will have 31 (thirty one) days' notice before the increase takes effect. If you are dissatisfied with the increase, you may select a more affordable Plan (if applicable), or you may cancel, failing which the increase will come into effect. If your claim has been approved, the maximum cover amount may not increase due to the annual increase in your premium but will remain at the amount applicable when the claim was approved

# 4 CONDITIONS AND EXCLUSIONS

We wish to remind you that the Policy has conditions of cover as explained in clause 9 of the Policy Document, namely (but not limited) to: Participation in mass action or protest - Exposure to atomic energy - Substance abuse - Any criminal act - Reckless or unlawful endangerment - claims based on fraudulent and false information.
