

FUNERAL PLAN

WHAT IS YOUR FUNERAL PLAN?

Your Funeral Plan is a funeral insurance product that pays a fixed cash amount in the event of death, and is underwritten by Centriq Life Insurance Company Limited (FSP No. 7370). We are Legal and Tax Services (Pty) Ltd (FSP No. 28566), and are authorized by Centriq to market and administer all aspects of this Policy. We are an Authorised Financial Services Provider.

The Welcome Letter (sent together with this document) contains important information, and forms part of this Policy document. Your Funeral Plan covers you, your spouse, and children under 21 (natural, legally adopted and step children only) and, if selected, parents. A marriage by customary law must be registered according to the Recognition of Customary Marriages Act, 1988. You must be 18 years or older, but younger than 64 years when you take out Your Funeral Plan. Only persons permanently resident in South Africa or in possession of a valid work permit can be covered.

WAITING PERIODS

No claim will be accepted if the person dies within the first 6 months (calculated from date of 1st premium paid), unless death occurs as a result of an accident and the person is 14 years and older. In other words, the only cover that exists within the first 6 months of cover is for Death as a result of an Accident to a person 14 years and older. Death must occur within 90 days of the accident. Accident means an event that results in unintended and involuntary external physical bodily injury, which is clearly visible.

PARENT COVER

You have elected to extend cover under Your Funeral Plan for your parent/s. Only you or your spouse's natural, adoptive or step-parents may be covered, whose name is set out in the Welcome Letter. A parent may not be older than 74 years at entry age. All the terms and conditions of Your Funeral Plan set out herein apply to parents, and the Waiting Period (see above) will be calculated from the 1st premium paid relating to your parent. The cash benefit will be paid to you upon a parent's death.

INCREASED ACCIDENTAL DEATH COVER

If you have elected to take out Increased Accidental Death Cover, this will increase the amount paid to you in the event of Accidental Death. This means that if a person covered by this Policy who is 14 years or older (i.e children 13 or younger are excluded from this benefit) dies as a result of an Accident (as defined above), an additional amount will be paid over and above the Cover Amount. The Accident must take place after expiry of the 6 month waiting period (see above), and death must occur within 90 days of the Accident. This provision specifically relates to the Increased Accidental Death Cover and does not affect the Accidental Death cover set out above, which is not subject to any waiting period, and commences upon payment of the first premium.

PREMIUMS AND COVER

Please refer to the Welcome Letter which sets out details relating to the Premium. Cover commences upon payment of the first premium. Your Funeral Plan is a monthly policy, and will automatically continue for one month at a time unless you stop paying the premium, which is payable monthly in advance on your selected payment day.

FAILURE TO PAY PREMIUMS

If your debit order is unpaid, you will have a grace period of 1 month to pay the premium. If you fail to make payment before the expiry of the grace period, you will lose all benefits of Your Funeral Plan, until we receive another payment, and no claim will be paid if death occurs during this period. We will continue to debit your account in an attempt to collect the next monthly premium.

If your debit order is unpaid on 2 successive due dates, we will automatically apply the Protector Benefits, which is designed to keep you covered at a lower premium. This means that Your Funeral Plan will continue, but the Cash Benefit will be reduced to the Cover Amount applicable at the time. All these details will be set out in a new Welcome Letter which will be sent to you. If your first Protector debit order is returned unpaid, Your Funeral Plan will be cancelled and we will not debit you again without you requesting us to do so.

CLAIMS

Claims must be lodged in writing within six (6) months of death, failing which the claim will not be accepted. A Claim Form must be completed truthfully and in full, accompanied by the death certificate and all requested supporting documentation (and marriage or birth certificate, if applicable). We are entitled to access and keep copies of all medical and hospital information, to request more information about the claim, and to do all things we consider necessary to make sure that there is no dishonesty and that the claim is a valid claim. Once we are satisfied that all requirements have been complied with, claims are usually paid within 2 working days.
